**Boards and Commissions.** The Glendale City Council recently appointed several residents to serve on advisory boards and commissions. Congratulations and many thanks to the following Cholla District residents who have volunteered to serve: Darrell Criswell – Arts Commission; and Sean Lee – Planning Commission.

Glendale's 18 boards and commissions assist the City Council in making important policy decisions that impact the community. These volunteer citizen advisory groups research, study and discuss specific Glendale projects and issues and then forward their recommendations to the City Council.

To request an application to serve on a city advisory group or for more information, call the Council Office at (623) 930-2249 or [click here](#). Board and commission members must reside in Glendale.

**Sahuaro Ranch Volunteer Open House.** The Sahuaro Ranch Park Historic Area staff will be hosting two volunteer open houses. Attendees can learn about Sahuaro Ranch and how to join its volunteer team.

The Sahuaro Ranch Park Historic Area preserves one of the Valley's oldest and most magnificent ranches. The 17-acre site is listed on the National Register of Historic Places and features 13 original buildings, a rose garden, a barnyard and more. The Sahuaro Ranch Park Historic Area offers activities, exhibits, special events and guided tours.

The open houses will be held from 9 to 11 a.m., Friday, Sept. 11 and Saturday, Sept. 12, in the Fruit Packing Shed at the Sahuaro Ranch Park Historic Area, 9802 N. 59<sup>th</sup> Ave.

Information about volunteer positions including docents/history guides, greeters, special events assistants and historic housekeeping assistants will be available. Training and flexible hours are offered. Both open houses include a brief tour of the Sahuaro Ranch grounds.

**National Emergency Preparedness Month.** September is National Emergency Preparedness Month and Glendale Firefighters are asking the community to create an emergency preparedness plan. There are three easy steps to follow to create your emergency preparedness plan; (1) Get a kit, (2) Make a plan, and (3) Be informed. Following are a few examples for each topic:

**Get a kit -** Your kit should be a sturdy and easy to carry container.

- Water, one gallon of water per person, per day, for at least three days.
- Food, at least a three-day supply of non-perishable food.
- Flashlights and extra batteries.
- Battery-powered radio.
- First aid kit.
- Prescription and non-prescription medication.
- Eye glasses.

### Make a plan

- Plan places where your family will meet, both within and outside of your immediate neighborhood.
- If possible, have an out of town contact. It may be easier to make a long distance call due to local phone lines being overloaded. This will help with communicating between separated family members.

### Be informed

- Learn about disasters or emergencies in your area.
- Learn CCC (continuous chest compressions) and CPR and first aid.

More safety information can be found on the [Glendale Fire Department's website](#) and Homeland Security's Ready America website: [www.ready.gov](http://www.ready.gov).
